On a roll we are indeed! What a busy summer it was for Heaven Can Wait! We not only adopted out numerous dogs, puppies, cats, and kittens, we have met many new friends in the community and country. Pictured is Food & Wine Connoisseur Ted Allen from the Bravo-TV hit show "Queer Eye for the Straight Guy". We were fortunate to meet him at The Taste of Cleveland over Labor Day weekend because we had an adoption booth courtesy of Purina. Heaven Can Wait is excited to have him as one of our newest friends and was happy to hear he is a fellow animals lover and the dad to two rescue kitties. Because of our awesome relationship with the pet lovers in this city, county, state, and country, we have been able to continue to rescue those that need us most— the homeless animals at The Summit County Animal Control Facility.

We hope you enjoy the fall issue of Heaven Can Wait Times and be sure to check out our latest holiday fundraiser flyer inside!

Duke Needs a Home!

Duke is a stunning black Flat Coated Retriever mix. He appears to be about four years old. Duke has an absolutely wonderful disposition. He is good with kids and cats, and would make a fantastic family pet!

When Duke was rescued, he tested positive for heartworm. Thanks to Heaven Can Wait's generous donors, he received the hospitalization and Veterinary care to cure him of heartworm.

Now, all Duke needs is a forever home. Could that be yours?

We Want to Become Part of Your Family

Hi my name Rachael and I am 7 months old. I have a sister Phoebe and we need homes! We are both from The Summit County Animal Control Facility and are SO happy to be alive. Thanks for the volunteers with Heaven Can Wait who saw how cute we are and decided

we were lucky enough to be part of their group. We lived at the county facility for awhile and when HCW had room at their center they picked our cute faces to add to their gang. They also picked our sister Monica as well, but when she

was being spayed at the county facility, she went to Heaven. She is our guardian angel now and made sure nothing happened to us when we had our surgery. Monica wants us to find a wonderful home and live a happy life for her as well. Is that home with you? Please consider me or Phoebe to add to your home!

Hey check me out! My name is Dottie and I am a Dachshund/ Beagle mix. I am three years old and my foster mommy says I am pretty close to perfect. I was rescued from The Summit County Animal Control Facility by the fun people at Heaven Can Wait. I was picked up as a stray and was full of ticks, they

were sucking the life out of me and I thought I couldn't take it anymore!! Well, I did and sure glad I

did because I love my life. I like to lay around all day sleeping, which is my favorite hobby. I

like to go outside and run around in the yard, but you need to keep an eye on me, I like to jump fences too! Weeeeeee! Foster mommy said my permanent home needs a fence tall enough for me to not scale, do you have a tall fence? Need someone to cuddle and watch tv with? Then consider me!

Happy Tails from an Adopter!

We adopted Eli a few months ago. He has turned out to be the best investment made for myself and my family. He is very sweet and loving. When we needed support for our family with the care and keeping of Eli, a Heaven Can Wait volunteer was always available to answer our questions. He helped to fill an empty spot in our family life. Heaven Can Wait answered our call and helped us

find the perfect dog to be our forever friend. Eli is the answer to all our prayers. We couldn't have found a better friend on our own. (Jenni, Akron, OH)

Note: When Eli was rescued from the Summit Animal Control Facility, he had a horrible skin disease. Thanks to generous donors, Eli received 4 months of treatment, and was cured.

I Want a Home to Call my Own

Cute aren't I? My name is Cleo, or some call me Miss Cleo because I am a little princess. I was rescued with

my sister Foxy by some great ladies from Heaven Can Wait as I was being surrendered to the county facility. Foxy found a home soon after we were rescued, but they only wanted one little princess in my house. So, now I am waiting for my home to find me! I look out the win-

dow everyday wondering when my turn will come to be adopted and I hope it is soon. I love to watch my foster mommy and play with my foster siblings. Are you the one that wants a princess? I sure need a castle of my own and tired of waiting!
