Greetings from the volunteers of Heaven Can Wait! This has been a great year for the organization and we look forward to a prosperous and productive year full of rescuing animals from Summit County Animal Control, educating the public on animal welfare and creating a presence in our community about the plight of homeless animals in Summit County that need YOUR help! Thanks to the community, Heaven Can

Wait is in it's 7th year of rescuing animals and has thus far the tally of animals saved has been over 1,000 cats and dogs since 2003! Without your support, we cannot continue in our mission and we thank you for your continued support! If you are interested in adopt-

ing a homeless animal, then please take a look at our pet list at [www.heaven-can-wait.com](http://www.heaven-can-wait.com) or visit us at one the many events in the community. Better yet, get involved in the cause by volunteering or donating! HCW is always in need of donated supplies and monetary donations! Getting involved in a worthwhile cause can change the life of the person who adopts that rescued pet and the pet who was rescued!

**I NEED A HOME!**

Hi my name is Earle and I have been waiting and waiting for a home of my own! I am a Black Labrador/ Flat Coated Retriever mix. I am 6 years old, yes I am a mature adult and I am a boy, well actually a man. I LOVE being outside and lounging in the sun and I am very quiet and content when I am out there. Every now and then out of the corner of my eye you will see me playing with a toy because I feel so young and happy. If you make a little time for me during your day, I would even enjoy playing fetch with you! Yes, I will share my toy with you.

Please consider adopting me, I am a good guy who is potty trained and I make an awesome companion. If you would like to meet me (how can you resist?) then visit [www.heaven-can-wait.com](http://www.heaven-can-wait.com). My adoption fee is only \$100 fully vetted which means I have been neutered, heart-worm tested, vaccinated, dewormed, de-fleaded and full of love.

Summit County Executive Russ Pry and Heaven Can Wait Director Pat Mihaly

Heaven Can Wait was excited to participate in the First EVER Summit County Animal Control Adopt-A-Thon Saturday July 24, 2010. After many years of asking Summit County officials to consider holding a county sponsored adoption event, we were tickled to see Summit County Executive Russ Pry permit the event to go forward! We are pleased to announce that after just two hours at the event, ALL dogs available were adopted and over 50 cats were adopted! Last count were heard that day was that over 100 animals found their new home! Thanks again go to County Executive Russ Pry and we look forward to the possibility to help with another adoption event. Stay tuned! [www.heaven-can-wait.com](http://www.heaven-can-wait.com) for further details if so.
